To Advertisers.—The VERMONT DAILY TRANSCRIPT has the largest circulation in St. Albans and in Franklin County, of any daily paper, and on that account, if no other, the best medium for advertising.

Local Items.

Interesting matter. original or selected, may always be found on the first page.

OUR DAILY.—Those wishing to secure copies of our daily paper can do so at Merrillfield's and Baker's bookstores, as well as of carriers, and at the office. Copies of our weekly paper may also be had at these places.

G. L. DIX, of Barre, has a fig tree with sixty ripe figs on it.

A NOTICE is published of an application to the Legislature to annex the Towns of Ludlow, Andover, Weston, Cavendish, and Chester, or any of them, to Rutland County.

THERE are 76 convicts in the State's Prison, 4 of whom are females. One Miller, who was tried at the June Term of Windsor County Court, is under sentence of death.

THE Oakes Ames now makes two trips daily between Burlington and Plattburgh, leaving the South Wharf at 9:30 A. M. 1:40 P. M. She leaves Plattburgh at 1 P. M. and 7:50 P. M. arriving at Burlington at 2:45 and 9:45 P. M. On Monday, she will leave Burlington at 4:15 A. M.

THE attention of the readers of the TRANSCRIPT is called to the advertisements of Wm. N. Smith & Co., in other columns of this issue. This firm has one of the nearest stores in town, and it is filled with a large stock of men's and boy's clothing and furnishing goods, which are being sold at reasonable rates.

THE RECENT FIRE.—The amount of insurance on Mr. Rugg's house and barns was only \$9,100, he having no insurance in the Farmer's Mutual, as stated by us on Monday. His insurance was divided between the "Home" Insurance Company, of New Haven, and the "Fire and Marine," of Springfield, Mass.

There is little doubt now but that the fire was accidentally set by some children who were playing "blacksmiths" on the barn floor. Mr. Rugg has already commenced the work of clearing away, and is making all the necessary arrangements for re-building.

GOV. HALL.—We understand that Ex-Governor Hall, of North Bennington, Vermont, has in Joel Munsell's Press, at Albany, N. Y., an elaborate history of Western Vermont, which will make a large octavo volume of about 400 pages. This volume will be ready for sale on the first of October next. From the well-known historical character of Gov. Hall, and his perfect acquaintance with the early history of his native State, it may be well assumed in advance, that this will be a valuable contribution to American History. It will undoubtedly contain corrections of errors into which other writers of history have fallen. So soon as we receive a copy of this valuable work which has employed

the leisure hours of Judge Hall, since his retirement from the bench, and the active duties of political life, we shall recur to this subject again.

CHITTENDEN COUNTY COURT.—The September Term of the Chittenden County Court, commenced on Tuesday Sept. 22d, Hon. John Pierpont presiding Judge. The whole number of cases on the Clerk's docket for the term is 187.

BUSINESS.—We notice that J. J. Burgess has again established himself in business; this time in the Warehouse formerly occupied by Sowles and Eastman, near the Depot. At present he makes a specialty of flour, to which he contemplates adding groceries generally at wholesale.

S. P. Eastman, to whom reference is made in the foregoing, has removed three doors South where he continues the flour and wood business. Mr. Hiram B. Soule, is a joint occupant with Mr. Eastman, and continues business in butter and produce generally.

A shooting affray occurred in Fayetteville, Del., on Friday, between Robert Winslow Steedman and Dr. W. H. Morrow, U. S. Deputy Marshal, in which both were killed.

A ST. ALBANS BOY.—The Chippewa Wisconsin Times has the following among its local items:

The Grant Club of Bloomer met at their rooms in Vanville, on Tuesday evening of this week. A large and enthusiastic meeting was had, and many names added to the Constitution. After transacting the usual business of the Club, the President introduced to the audience Wm. R. Hoyt, who very ably discussed the political features of the day, and reviewed the position of the different candidates. His remarks were listened to with marked attention, and had a very happy effect, after which, remarks were made by G. Jones, A. Jackson, O. H. Stillson, and others, adjourning with three cheers for Grant, Colfax, and the speaker.

Mr. Hoyt is a son of Hon. R. H. Hoyt, of St. Albans, as most of our readers are aware, and read law in the office of Messrs. Bailey & Davis, being admitted to practice about two years since.

THE PROPOSED TREATY of a new Reciprocity Treaty with the United States are considered very slight at Ottawa; but they say it all depends on Mr. Seward.

FULTON MARKET.—Just received, a nice lot Dried Beef, Sugar Cured Hams, Bologna Sausage, Sweet Potatoes, Tomatoes, Peas, Peaches, Water Melons and Musk Melons. dtf-94.

The palm of superiority is awarded to Mrs. S. A. Allen for her Improved (new style) Hair Restorer or Dressing, (in one bottle,) and a grateful public appreciates the very low price, One Dollar. Every Druggist sells it.

NEVER TOO LATE TO MEND.—After nearly ruining your hair by the use of lead preparations, under the name and guise of "oils," apply Barrett's Vegetable Hair Restorative, which not only renews but restores it to its original softness and lustre.—*Terre Haute Express.* d&w

Sciatica is a pain beginning at the hip and follows the course of the sciatic nerve, and is generally a purely neuralgic or nervous pain. To cure it, use Renne's Pain-Killing Magic Oil on the painful parts, and also in the hollow of the foot. If the blood be in a low state, a preparation of iron must be given at the same time—but the Magic Oil alone generally cures.

Wistar's Balsam of Wild Cherry.

Coughs, Croup, Whooping Cough, Asthma, Croup, Hoarseness, Sore Throat, and the numerous, as well as dangerous diseases of the Throat, Chest, and Lungs, prevail in our changeable climate at all seasons of the year; few are fortunate enough to escape their baneful influence. How important then to have at hand a certain antidote to these complaints. Experience proves that this exists in Wistar's Balsam to an extent not found in any other remedy; however severe the suffering, the application of this soothing, healing and wonderful Balsam at once vanquishes the disease and restores the sufferer to wonted health.

TWENTY YEARS' EXPERIENCE.

MOORE'S, VI., June 28, 1869.

Messrs. S. W. Fowler & Co., Boston.

Gentlemen: Having for twenty years past been in the habit of using Dr. Wistar's Balsam of Wild Cherry, in cases of Coughs, Colds, and Pulmonary Affections, I can testify to its great merits with the utmost confidence. I believe it to be the best medicine for these complaints ever used, and have no doubt that the use of it has at three several times saved me from Consumption, besides many times in late years, affording immediate relief in less severe attacks.

I am 78 years of age, and for many years have been a subject for pulmonary disease, but by the use of this excellent remedy I keep myself quite comfortable. I can hardly find language to express the exalted opinion I have of the Balsam, and recommend it to all in the best remedy that can be used. GEORGE DAILY.

Prepared by SETH W. FOWLER & SON, 18 Tremont St. Boston, and for sale by Druggists generally.

ACROSTIC.

Gently it penetrates through every pore,
Relieving sufferers from each angry sore;
It wounds it heals with certainty and speed;
It cures Burns, from inflammation freed;
It cures, in its presence disappear;
It kills base each stain, and the complexion's clear;
SALVE, such as GRACE'S every one should buy,
All to its wondrous merits testify.
I at those who doubt, a single box but try,—
Verily, then its true deserts I would have;
E'en you unbelievers would land GRACE'S SALVE!
